

Prepare for the SAT! **Shorewood High School 2007 – 2008**

SAT Prep, Inc., offers an excellent opportunity for students to prepare for the SAT. The dates for the 2007 – 2008 SAT Exam are Oct. 6th, Nov. 3rd, Dec. 1st, Jan. 26th, March 1st, May 3rd, and June 7th. Students should begin to prepare for the SAT during the junior year and take it by the end of the junior year or in the fall of the senior year.

This SAT Prep Course is offered to students this year at Shorewood High School. The course includes a full length, scored practice test plus 16 1/2-hours of classroom instruction. The course consists of the practice/diagnostic test, plus 3 math and 3 verbal sessions on weekday evenings, each 2 3/4 hours long. Analytical tools for mathematical concepts, problem solving, critical reading, and vocabulary are taught. Essay writing, grammar, geometry and algebra topics are included in the course to prepare the students for the SAT. This is also an excellent course to prepare for the PSAT, scheduled this year on October 17th or October 20th. (Check with your high school.) The course is designed to decrease test anxiety and familiarize students with test directions, types of questions, and test-taking strategies. We work to increase students' confidence and help them develop skills and a positive attitude to become better test-takers.
