

Shorewood PTSA June 5th Meeting minutes

People present:

Shannon McMaster

Debbie Olhoeft

Kim Ositis

Mary Hart

Marylynn Antush

Lori Ramsay

Krista Keller

Maya Lu

Started 7:02

Review of Financial Review Committee - will happen on July 10th

Website is being handed from Kris to Suzanne including updating the officers.

Passwords need to be changed for new email addresses

Bank statements going to Krista Keller over summer

Last staff appreciation on June 8th and will be BBQ

The Works is moving on June 9th and June 16th - help needed - show up at North City. There is a link on the council website.

Future President (Kim) - need someone to organize BBQ on August 27th. We have had a sponsor in the past (ABC for \$650). Also boosters paid for half in the past - contact them for this year.

August retreat date will be August 21 from 6pm-9pm.

Prom volunteers - there were enough, photos went well. Tammy and Brett were in charge.

Marylynn - we should get website cleaned up this summer.

Krista - volunteers for BBQ. Ordering a table cloth that says Shorewood PTA on it. Good advertisement - can be personalized. For the BBQ will need: membership forms on clip boards, square reader. Kim will bring Ipad, Krista the triangle reader. Krista will bring name tags and clip boards. Make sure there is a donation part on the clip boards.

Update on Suicide Prevention position statement by Lori. We need 2 parent educators at Shorewood. YMCA and City - how to support and extend the program. Shorewood and Shorecrest have a combined meeting. Working on educating staff, councilors and parent educators. Crisis plans were in place at both high schools but they weren't the same so they are being combined and made consistent. Forefront is advising. Would like for there to be a board position at each high school. Originally \$70k was raised to pay for Forefront training - years one and two are paid for but we will need a little more for year 3. Year 2, this year, will include student education and peer to peer education. August will be the next training. Need board position to facilitate communication about events coming up. WA suicides are the 2nd leading cause of death in 7th - 12th grades. Board position would be an ad hoc position. Motion to create position - Marylynn and Maya.
